

# Pickup Conversions

Warner is the premier pickup bed manufacturer for the Sterling Bullet and Dodge 3500/4500/5500. Warner's pickup conversion retains the look of an OEM pickup while providing multiple features, which sets it apart from the field. Designed with the customer in mind, the 9' bed allows use of the chassis' large, rear fuel tank and comes standard with a convertible gooseneck ball for increased hauling capabilities. If you are looking for the best truck on the road, choose a **Dodge or Sterling pickup by Warner.**

# Pickup Conversions

## Features and Benefits

- B&W turnover combination hitch allows customers to switch from gooseneck towing, fifth wheel hauling or a flat floor in minutes
