

Hallmark Series

The Hallmark hauler provides outstanding aesthetics and exceptional function. Flush mount compartments and compression latches provide a superior look, weather tight compartments and increased security. The combination of a B&W turnover hitch in the loadspace with a rear receiver hitch allows this unit to have unlimited towing capabilities. Regardless of what you are towing, Warner's Hallmark series will exceed your expectations. **Hallmark by Warner**

Hallmark Series

Warner specializes in building custom units to meet customers' specific requirements.
Let us work with you to design your next work truck.

Features and Benefits

- B&W turnover combination hitch allows customers to switch from gooseneck towing, fifth wheel hauling or a flat floor in minutes
- Receiver tube at rear of body provides additional towing capabilities
- Flush-mount doors give streamline the look and increase security
- Compression T-style latches pull doors into rubber to keep weather out of compartments
- Two light kits add visibility, safety and superior look when not towing
- Gas shock door props hold doors in place
- Two compartments on each side increase storage capacity
- Aluminum billet style fuel fill enhances the look and eliminates paint chipping from fuel runoff
- Superior corrosion resistance with A60 Galvanneal steel or aluminum construction
